USEUCOM Station Chief - Eli Adams

Distribution:

Joint Chiefs of Staff

Executive Council

Director of National Intelligence

Position Summary

United States European Command seeks to preserve and defend the intelligence operations of the United States concerning the European region. NORTHCOM operations will progress with an emphasis on strategic capacity to facilitate relevant information collection, policy analysis, and implementation throughout the region. General applications of USEUCOM largely focus on intelligence, however response capacity informs the efficacy of response. As acting station chief, I must emphasize the importance of USEUCOM in maintaining U.S. interests abroad. This informs a commitment to reaffirm the U.S. position in coordination with regional allies.

The office of the station chief has identified the following priority issues:

1. Russian Federation Invasion of Ukraine
2. Ongoing domestic strife within allied nations
3. Allied tensions with the United States
4. Foreign sponsors of terrorism
5. Displacement & Immigration crisis
